

80th Anniversary Celebration Peninsula Friends of the Library

There is still time to show your support for your library!

Do you remember the last time you were asked to give money to support a Palos Verdes Peninsula Library event? Of course you don't -- they've never asked! In 80 years of wonderful service to the Peninsula and surrounding communities, the Libraries have never asked.

The Palos Verdes Library District will celebrate its 80th Anniversary on February 6, 2010 (the evening before the Super Bowl).

The Peninsula Friends of the Library have asked us to reach out to Chamber Members about being major sponsors / advertisers for the 80th Anniversary celebration.

We expect 400 to 500 to attend, and it will be well advertised in the PV News (listing sponsors) both before and after the event.

We're hoping you have some room in this year's budget to support this event. This event doesn't happen every year, or even every 50 years.

The response deadline is January 12, 2010. Attached are the Sponsorship Form and the Advertising Form, for your use.

To become a sponsor, to place an ad in the program booklet, to donate an auction item, or to reserve a table (\$1250) or tickets (\$125), feel free to call **310-377-9584 ext. 245**. You can also email to friendsinfo@pvld.org. **Please join us.**
